Doctors!

THE Indian Queen Vegerable Scoan Coared Pills are now admitted, on advance, to be the most extraordinary and valuable medicine in general asc. It not only acts as a specific upon Rilious and Typhus Favers, Chills and Faver, and Fever and Ague of the west and south, but in all diseases of dishility, weak stomsch, miligestion, loss of appetite, impurity of the blood, and all diseases prevalent in a western and outhern climate. Their great power consists in their peculiar effect upon all the organs of the system, and the capit formation of new and rich blood, which they produce. In this ties the great secret of their success. They are mild and pleasant in their action, but searching and permanent in their effect; penetrating the remotest recesses of the system by their ready absorption into the blood, thereby intueing a new sup-ply of vitality and across power into all the machinery of the.
